Homestead Realty, Inc.

SUBJ: PURCHASING A HOME

This letter is to make you aware of a program we have for our Tenants who are interested in buying a home. Since we are a full-service Real Estate Company, we also list homes for sale and help Buyers find homes. We can also provide mortgage contacts.

If you're thinking of buying, and you WORK DIRECTLY WITH THE BROKER OF HOMESTEAD REALTY AS YOUR REALTOR, then here's what we can do for you:

1. If you want to buy the house you're living in and the Seller will sell it to you, you are required to pay a 3% commission (see paragraph #40 in your lease). We will work directly with the Owner to waive this fee for you. If we succeed, then you will pay 0%. If we cannot get the Owner to allow the fee to be waived, then we will charge you only 1% of the selling price or \$3,000, whichever is less!
2. If you buy a different house than the one you are living in and you buy it before your lease is up, we will work with you to try to get you out of your lease with no legal ramifications and we will pay your forfeited security deposit (up to one month's rent) for you (see paragraph #32 in your lease).
3. If you buy a different house than the one you are living in and you move into it after your current lease expires, then we will give you a CASH REBATE after the closing of 1% of the selling price up to a maximum of \$3,000 cash.

Remember, in order to take advantage of any of these offers, you MUST BUY YOUR HOME USING THE BROKER OF HOMESTEAD REALTY AS YOUR REALTOR!

If you have any questions, or would like more information, please don't hesitate to call us.

Thank you.

If Tenant **does not** **DEFAULT** this lease, then such deposit is to be refunded to the **TENANT** upon his vacancy from the premises at the expiration of this Lease, or any renewal period thereof, within a **fifteen (15) day** period or, upon such a case of a deposit claim, a letter of itemized damages or claims must be sent to the **TENANT** by the **LANDLORD** within a **thirty (30) day** period, and, after there have been deducted any and all rental charges and any and all other charges considered to be additionally due to the **LANDLORD**, under the terms hereof, the then remaining balance will be returned. **NOTE: The security deposit cannot be used as the last month's rent!**

In the event the sums due hereunder by the **TENANT** to the **LANDLORD** exceed the security deposit, for repairs aforesaid or under any provisions hereof, then the **TENANT** agrees to pay the additional sums due over and above said security deposit to the **LANDLORD** within **fifteen (15) days** after notification of such sums due to the **LANDLORD**.

In the event of a bonafide sale, subject to this Lease, the 'old' **LANDLORD** shall have the right to transfer such security deposit to the purchaser(s) for the benefit of the **TENANT**, and the 'old' **LANDLORD** shall be considered, and will thereby be, released by the **TENANT** from all liability for the return of the deposit and for the performance or obligations herein.

The **TENANT's** security deposit will be held in a **non-interest bearing** escrow account in Regions Bank.

The LANDLORD and the LANDLORD's Agent are not responsible to the TENANT, to the TENANT's guests, to the TENANT's family and/or to any other Occupants of the property for any damages, injuries or losses arising from any inappropriate action(s) of the TENANT and/or any of the other Occupants of the property and/or any third party, whether known or unknown by the TENANT, who causes damages or injury to the property or to any of its Occupants.

The TENANT may **opt** to not pay for non-essential, dis-continued services, but **shall be required** to pay for essential services including, but not limited to, gas, water, sewer and trash service if the Association no longer provides these services. The discontinuation of any such services by the Association shall not be construed as a prohibited practice by the LANDLORD or AGENT, nor shall it constitute a LANDLORD DEFAULT under this Agreement. There is a non-refundable fee for each pet. This fee is paid for the “privilege” of having a pet and is not considered as a prepayment for any other purpose. If any **additional** pets/animals of any description are found on or about the premises without specific permission from the LANDLORD, then the TENANT agrees to pay to the LANDLORD a (an additional) pet fee of **\$10.00 per day per pet/animal** for each day from the beginning of the Lease period through to the current date OR if LANDLORD agrees, then the \$10.00/day fee may be waived in lieu of an additional, non-refundable pet fee of **\$250.00** per pet/animal. Failure to pay either of the aforementioned will be considered a breach of this agreement and the TENANT will be in DEFAULT and, thereby, subject to immediate action as defined in the DEFAULT paragraph #51.

Further, TENANT warrants that any and all pets, on or about the premises, will be **appropriately secured** and will not be allowed to ‘run free’. And, further, that pets **will not be allowed to cause damage** beyond what is considered normal wear and tear. TENANT further agrees to fully indemnify the Owner and his Agents for any damages arising out of injury to another by the pet(s). As above, the failure of TENANT to adhere to these restrictions will result in DEFAULT.

13. **POSSESSION:** The LANDLORD shall not be liable for the failure to deliver possession of the premises at the time stipulated herein, nor shall such failure excuse the TENANT's obligations hereunder, except that, in the event of delay, the rent herein stipulated to be paid shall be prorated accordingly and the rental period will be adjusted accordingly. If possession cannot be delivered within 30 days of the original specified time, then the LANDLORD or the TENANT may consider this agreement to be void without any obligation or liability to the LANDLORD or to the TENANT for expenses caused by such delay or termination.
14. **CONDITION OF PREMISES:** Taking possession of the premises by the TENANT shall be **inclusive evidence** that the premises are suited for the use intended and that the included equipment and fixtures were in good, clean working order, condition and repair. Upon accepting possession of the premises, the TENANT will have **THREE (3) days** to report any previously overlooked items in need of repair or maintenance; failing to do so within the 3-day period **constitutes full acceptance of the premises and its contents as-is**. Further, no promises have been made by LANDLORD to alter or improve the premises unless specified in writing by the LANDLORD in the **”Additional covenants and/or restrictions”** paragraph of this agreement.
15. **PROPERTY MANAGER:** For the purpose of this Lease and application, HOMESTEAD REALTY, Inc., and/or its agents, shall currently represent the OWNER of said property and shall have all rights mentioned in this Lease as the representative of the LANDLORD. This does not negate any of the property OWNER's rights.

The Owner can, at his option, assume management of this property from Homestead Realty, Inc. If the Owner chooses to do so, then all covenants and terms of this Lease shall inure to the Owner as the LANDLORD, and Homestead Realty, Inc. will **immediately** be released from any further obligation and liability under this Lease. The TENANT will be notified in writing of this occurrence and appropriate contact will be made with the OWNER to modify the appropriate sections of this Lease so as to allow the transition to the “new” management.

16. **RENTAL PAYMENT:** Rental payment is due, without demand, deduction or offset, on or before the **1st day of each month** at the address of **14115 TOWN LOOP BLVD., Suite 300, ORLANDO, FL 32837**. Payment may be made in the form of a first-party personal check, bank check, or money order. **A full late fee will automatically be charged** if full payment of rent is not received **on or before 5:00 PM on the 3rd day of the month, regardless of the occurrence of the 3rd day**. Weekends, holidays, mail delays and/or office closures **DO NOT EXCUSE** the TENANT's obligation for timely payments.
Any payment delivered to HOMESTEAD REALTY, Inc. **AFTER 5:00PM** on any day shall be deemed to have been delivered **on the next day**. In the event of a returned check or non-full-payment, the LANDLORD **may require** all payments thereafter to be made in certified funds. Returned checks **cannot** be re-deposited and will be assessed a Returned Check Charge, for each such occurrence, of **\$50.00 (FIFTY-DOLLARS)**. **THERE IS A 24/7 DROP-BOX LOCATED IN FRONT OF THE OFFICE!**

17. **DELINQUENT PAYMENT OF RENT:** The acceptance by the LANDLORD of rental payments after the due date of any month shall not be construed as a waiver of the LANDLORD's right to demand timely performance of this Lease. Receipt by the LANDLORD of less than the full amount of rent shall not affect the LANDLORD's right to terminate this Lease for non-payment of rent. The payment of rent **AFTER 5PM on the the 3rd** of the month shall be subject to an immediate **8% “LATE” charge and a \$25.00 “NOTICE” charge** and, also, shall be subject to the LANDLORD's right to **immediately TERMINATE** this Lease prior to any future acceptance of rental payments, thus considering the TENANT to be in DEFAULT.

NOTE: All late rent charges, returned-check charges, late-notice delivery charges, unpaid Security Deposits, unpaid TENANT repair charges, unpaid legal fees and any and all other unpaid TENANT monetary indebtedness will **immediately** be considered to be **additional unpaid rent** and subject to the LANDLORD's right to terminate this Lease for delinquent payment of rent.

The LANDLORD is responsible for all repairs caused by normal wear and tear and non-TENANT-negligent mechanical failure **exceeding \$100.00 in cost.** The TENANT is responsible for **all other repairs and/or other costs associated with having a Vendor go to the property.** **The TENANT is also responsible for any and all repairs and/or Vendor charges which do not exceed \$100.00,** no matter the cause. In the event that the repair would have cost less than \$100.00, but failure to repair led to **subsequent damage** exceeding that amount, the TENANT is responsible for the **full cost** of said repair and subsequent damages. In the event that the TENANT **fails to report any needed repair or damage** within **TWO (2)** days of occurrence, then the TENANT will be responsible for the **full cost** of any subsequent repair and/or subsequent damage, injury or death caused by the failure to initially report the problem. The LANDLORD reserves the right to perform periodic inspections of the property. Appropriate notice will be given for such inspection, usually at least 24 hours. Failure to allow such inspections will result in TENANT DEFAULT. If an inspection uncovers problems including, but not limited to, unreported pets, unreported additional occupants, unreported needed repairs, damages beyond normal wear-and-tear, observance of any situation that is in violation of the lease, etc., then the TENANT may receive a 7-DAY NOTICE TO CURE (that is, to correct the situation). In accordance with any applicable municipal law, the LANDLORD may cause to be removed, **at the TENANT's expense**, any vehicle parked in violation of the aforementioned parking 'rules'.
27. **DANGEROUS MATERIALS:** The TENANT shall not keep nor have on the premises any article or thing of a dangerous, inflammable, or explosive character that might substantially increase the danger of fire on the premises, or that might be considered hazardous by a responsible insurance company, unless prior written consent is obtained from the LANDLORD and proof of adequate insurance protection is provided by the TENANT to the LANDLORD. Failure to abide will result in TENANT DEFAULT.

You **may** find ONE (1) active fire extinguisher in your rental unit. This is to be used for fire emergencies only. It is your obligation to assure that the fire extinguisher is always functional. Periodically check the fire extinguisher to assure that it is still in working condition; if it isn't, you must notify the LANDLORD immediately. Failure to do so will result in TENANT DEFAULT. It is expressly understood and agreed upon that the LANDLORD of said premises (or his AGENT and employees) shall not be liable for any damages or loss sustained by TENANT as a result of use, misuse or non-use of a fire extinguisher.

28. **FIRE AND CASUALTY:** If the premises becomes untenable by reason of fire, explosion or other casualty, the LANDLORD may at his option, terminate this Lease **OR** repair the premises within **THIRTY (30)** days. If the LANDLORD does not repair the premises within this time, or if the building is wholly destroyed, the TERM herein created shall cease. If the LANDLORD elects to repair the premises, the rent shall be abated from the date of the fire, explosion or other casualty to the date of re-occupancy, provided that, during the period of repairs, the TENANT has vacated the premises and removed the TENANT's possessions, if required to do so by the LANDLORD.

The date of re-occupancy shall be the date of notice to the TENANT that the premises are ready for re-occupancy. No rights of storage are given by this agreement. The LANDLORD shall not be liable for any loss of property by fire, theft, breakage, burglary or otherwise, nor for any accidental damage to persons or property in or about the rented premises or building. It is expressly understood and agreed upon that the LANDLORD of said premises (or his AGENT) shall not be liable for any damages or loss sustained by the TENANT or any other occupants, visitors or anyone on the premises at the time of the casualty occurrence.

29. **ACCESS BY the LANDLORD TO PREMISES:** Subject to the TENANT's consent (which shall not be unreasonably withheld), the LANDLORD and/or his representatives shall have the right to enter the premises any day between the hours of 7:30AM to 8:00PM to make inspections, provide necessary services/repairs, or show the unit to prospective buyers, mortgagees, prospective Tenants and/or workmen. The LANDLORD will attempt to provide **at least 12 hours notice** for this. As provided by law, in case of emergency, the LANDLORD may enter the premises **without** the TENANT's consent. The LANDLORD shall have **IMMEDIATE ACCESS TO and IMMEDIATE CONTROL OVER the ABANDONED or PERMANENTLY VACATED** premises, once abandonment or permanent vacancy has been reasonably determined to have occurred. If pre-arranged access is granted to the LANDLORD and any of its Assigns and, at expected time of access, if access is then denied or otherwise precluded because of the actions of the TENANT, then there will be a **\$100 penalty charged to the TENANT** and it will immediately become due and payable. Non-payment will result in TENANT DEFAULT.
30. **HOLDING OVER:** If the TENANT holds over and continues in possession of the premises, or any part thereof, after the expiration of the Lease without the LANDLORD'S written permission, the LANDLORD may recover **double the amount** of the rent due for each day the TENANT holds over and does not surrender possession. Such daily rent shall be computed by dividing the rent for the last month of the Lease by fifteen (15) and rounding up to the next dollar. The TENANT is considered to still be in occupancy of the property until the TENANT has permanently vacated the premises **AND** has turned over to the LANDLORD all keys, garage door openers, gate cards, gate openers, etc. Failure to turn these items over to the LANDLORD will constitute continued occupancy and any and all appropriate charges will continue to be generated, accrued and applied, with all terms and conditions of the Lease in force.

31. **LEASE RENEWAL/CANCELLATION:** It is agreed that unless the LANDLORD gives the TENANT or the TENANT gives the LANDLORD **written notice** of intention to terminate this Lease at least **thirty days prior** to the end of the original term, or any renewal term, of this Lease, then this Lease shall automatically renew itself from month-to-month (at an increased rent of \$100.00 more per month), with the end of the month being the end of any renewal term; either party will then have the right of 30-day notice to be effective from the 1st day of the month following the date of said notice thru to the end of that month. If, however, notice is given on the 1st, then the lease will be considered to terminate on the end of that month, as opposed to the following month. If no appropriate, written notice is given by the Tenant, then the Tenant will be considered to be in TENANT DEFAULT.
32. **EARLY TERMINATION:** If, for any reason, the TENANT terminates this Lease before the expiration date or any renewal period thereof, the Security Deposit will be **IMMEDIATELY** forfeited to the LANDLORD. Liquidated Damages or the remaining Lease rent will be **immediately** due and payable and all other rights of the LANDLORD shall remain in force.
33. **ABANDONED PROPERTY:** A property is considered to have been abandoned when the following conditions have occurred:
- If, in the reasonable judgment of the LANDLORD, the property has been determined to have been permanently vacated.
 - There has been no contact made by the TENANT to the LANDLORD during the immediately preceding 15 day period.
 - All attempts by the LANDLORD to contact the TENANT during the immediately preceding 15-day period have failed.
 - The LANDLORD has delivered written notice(s) to the TENANT or to the Premises and these notices have not acknowledged in the time frame required by the notice(s).

If abandonment has been determined to have occurred, the Lease shall **immediately** be deemed to have been breached, the TENANT will be considered in TENANT DEFAULT and this Lease will have been terminated. Further, the security deposit will be **immediately** forfeited to the LANDLORD, the remaining Lease rent will be **immediately** due and payable and all rights of the LANDLORD shall remain in force.

Any and all property of the TENANT which may have been left in or about the premises after the termination of this Lease shall also **immediately** be considered to have been abandoned and may be removed by the LANDLORD at the risk and expense of the TENANT. The LANDLORD shall, in no event, be held liable or responsible for property left in or on the premises. The LANDLORD will be under no obligation to provide storage for abandoned property.

By signing this rental agreement, the TENANT hereby consents that, upon surrender, abandonment or recovery of the property due to the death of the last remaining Tenant, as provided under Chapter 83, Florida Statutes, the Landlord shall not be liable nor responsible for storage or disposition of the Tenant's personal property; further, the Landlord may sell any or all of the abandoned property and use the proceeds to offset any monies owed by the TENANT.

34. **TERMINATION OF TENANCY:** The LANDLORD reserves the right to terminate this tenancy and the TENANT agrees to immediately vacate these premises in the event that LANDLORD, in his sole judgment, feels that the dwelling is no longer legitimately tenantable. Under such circumstance, and with such written notice, the TENANT agrees to vacate within 3 calendar days of such written notice. Upon such vacancy, the TENANT will receive back the full security deposit less any TENANT-caused damage and any other Tenant unpaid charges that exist at time of vacancy.
35. **NOTICE:** All Notices by the LANDLORD to the TENANT and all notifications of the TENANT to the LANDLORD should be done in writing. Service of any Notice required by law or otherwise agreed to be given herein shall be sufficient if hand delivered and/or sent by certified or registered mail. Seven (7) day Notices to Cure will be considered delivered as above and also if mailed 1st class. **NOTE: There will be a \$25.00 delivery charge for each and every hand-delivered Notice. This charge will then be considered as late rent if not paid on a timely basis as defined elsewhere within the Lease.**
36. **SEVERABILITY:** If any violation of this Lease is found to have occurred, with such violation incurring additional expense by the LANDLORD or TENANT, then the responsible TENANTS will be jointly and severally liable for such expenses. That is, all the parties who signed the Lease as Tenants **AND** all parties who signed the Lease as Guarantors, are **JOINTLY and SEVERALLY LIABLE** for all terms and conditions of the Lease. That means that **EACH** person is responsible to the fullest extent of the Lease. One party **IS NOT** proportionately responsible for any of the Lease.

The LANDLORD will treat **ALL PARTIES** to the Lease as one entity; that is, **ONE** rent is expected to be paid monthly, all parties will be treated uniformly, even if only one party breaches some or all of the Lease and any security deposit refund will be made to **THE NAMES OF ALL LESSEES**

37. **SUBORDINATION:** This Lease is subordinate to all covenants, leases, mortgages, deeds of trust or any other documents or vehicles affecting ownership of the property. The TENANT agrees to cooperate fully in the execution of any documents the LANDLORD may request.
38. **ATTORNEY'S FEES/COLLECTION FEES:** If either party litigates against the other, **the losing party** will be responsible for any and all attorney's fees and court costs incurred to enforce this Lease and will reimburse the prevailing party accordingly. If any debt goes to a collection agency for collection, the debtor will also incur any additional fees as a result of the debt collection.
39. **NO WAIVER:** If, at any time, for any individual act by the Tenant that would normally constitute a violation or DEFAULT of this Lease, the failure of the LANDLORD to enforce or to insist upon the strict performance of any specific provision of this Lease shall not prevent a similar, subsequent act constituting a violation or DEFAULT from having the full force and effect of such a violation or DEFAULT.

In addition, no acceptance of money by the LANDLORD from the TENANT after the termination of this Lease or after the service of any notice or after the commencement of any legal action or after final judgment of possession of premises, shall renew, reinstate, continue, or extend the term of this Lease or affect any such notice, demand, or legal action.

40. **SALE OF PROPERTY.** In the event that OWNER puts the property up for sale, TENANT agrees to allow the property to be viewed by Prospects with reasonable notice, such reasonableness to be no less than 12 hours notice. In the event the TENANT does not or cannot comply, then LANDLORD can enter the property, with sufficient notice as above, to allow Prospects access to viewing. If the property is sold, it will be sold subject to the TENANT's rights.

Should the TENANT purchase the property from the LANDLORD at any time during an existing rental period, or within 12 months thereafter, a **3% commission will immediately** be due and payable **by the TENANT** to Homestead Realty, Inc.

41. **TENANT / ROOMMATE POLICIES.** This Lease is governed by the State of Florida and the County wherein the property resides. For most properties in Florida, specific County Zoning Regulations **DO NOT PERMIT** renting individual rooms to 'roommates'. This practice, however, is fairly prevalent. This Lease states that you will abide by Homeowners Association Regulations and Municipal Regulations. If you choose to allow 'roommates', you will assume any and all risks, both legal and civil, and any and all liabilities and costs associated with your actions.
42. **ILLEGAL TRADE or ACTIVITY:** The TENANT agrees not to conduct any illegal trade or activity on or about the premises. Failure to comply with this restriction constitutes **immediate** TENANT DEFAULT.

47. **LEAD-BASED PAINT DISCLOSURE:** Housing built before 1978 may contain lead based paint. Lead from paint, paint chips and paint dust can pose health hazards if not taken care of properly. Lead exposure can be especially harmful to young children and pregnant women. Florida Law allows for the TENANT to get a lead-based paint inspection and, upon determining that lead-based paint exists, the LANDLORD then has seven (7) days to cure the problem or the TENANT may choose to be released from the current Lease, with all the regular vacancy rules in effect.
48. **RADON GAS DISCLOSURE:** Radon is a naturally occurring radioactive gas that, when it has accumulated in a building in sufficient quantities, may present health risks to persons who are exposed to it over time. Levels of radon gas that exceed federal and state guidelines have been found in buildings in Florida. Additional information regarding radon gas may be obtained from your county public health unit.
49. **MOLD DISCLOSURE:** Mold consists of naturally occurring microscopic organisms which reproduce by spores. Mold breaks down and feeds on organic material in the environment. The mold spores spread through the air; the combination of excessive moisture and organic matter allows for mold growth. Not all, but certain types and amounts of mold, can lead to adverse health effects and/or allergic reactions. Not all mold is readily visible, but, when it is, it can often be seen in the form of discoloration ranging from white to orange and from green to brown and black. Often there is a musty odor present. Reducing moisture and proper housekeeping significantly reduces the chance of mold and mold growth.

CLIMATE CONTROL: Tenant agrees to use all air conditioning, if provided, in a reasonable manner and use heating systems in moderation and to keep the premises properly ventilated by periodically opening windows to allow circulation of fresh air during dry weather only. It is recommended that air conditioning is used at all times if unit is so equipped.

SMALL AREAS OF MOLD: If mold occurs on a small, non-porous surface (ceramic tile, plastic, vinyl, etc.), Tenant agrees to clean the area with detergent, let the surface dry, and then, within 24 hours, treat surface with a non-staining cleaner such as Lysol, Pine-Sol, Tilex, Clorox or other such non-staining disinfectants.

TENANT AGREES TO periodically perform any or all of the following procedures, if warranted:

- * avoid excessive indoor plants
- * use ceiling fans
- * remove garbage regularly
- * regularly empty dehumidifier
- * assure all leaks are repaired
- * use exhaust fan when bathing/showering
- * open blinds/curtains to allow light in
- * clean up all spillages
- * do not dry clothes by hanging indoors
- * wipe down moist windows and sills
- * remove moldy/rotting wood
- * use disinfectants on all hard surfaces
- * IMMEDIATELY REPORT mold, A/C problems, leaks, discolorations, musty odors, abnormal moisture, and/or any indication of mold or potential mold issues.

TENANT will be held responsible for all property damage and health problems resulting from non-adherence to any or all of the above; failure to do so will result in TENANT DEFAULT. TENANT will hold Owner and Agent harmless for non-adherence and may be subject to termination of tenancy, as per the Owner's discretion.

50. **INDEMNIFICATION:** Management shall not be liable to the TENANT or any other person or property occasioned by any defects in the dwelling and the TENANT agrees to hold Management and its Agents harmless for any and all claims from any such damages, whether or not the damage occurs on or off the premises.
51. **DEFAULT:** If the LANDLORD fails to comply with any of the applicable provisions in this Lease, then the TENANT may, at his option, seek any and all remedies as provided by Law.

If the TENANT fails to comply with any of the applicable provisions in this Lease, or any Notice to Cure, or Notice to Vacate, then the LANDLORD may, **at his option**, immediately consider the TENANT to be in DEFAULT of this Lease, this Lease will thereby be considered to have been terminated, the Security Deposit will immediately be forfeited and the LANDLORD can commence any legal action as necessary to recover the property. The TENANT will then be responsible for all liabilities as defined elsewhere herein this document, in several appropriate paragraphs herein, and in the now-terminated Lease. The LANDLORD may also be entitled to any other recovery as defined by law.

Further, if the TENANT is found to be in DEFAULT, in addition to any other remedies available by law, the TENANT will be responsible for any leasing fee or commission charge which LANDLORD may incur in attempting to re-rent the premises.
